

Personal Details

Name	Khansaa Dheyaa Ismael
Scientific degree	Assistant Lecturer
Current position	University Lecturer
Emails	DhKhaljafaar@gmail.com

Education

University Name	Degree	Issue Date	Field	Country
University of Technology	Bachelor Degree	29/07/2003	Control and Computers Engineering / Computers Engineering	Iraq
Polytechnic University/ Faculty of Engineering in foreign languages	Master Degree	10/07/2017	Computers Engineering	Romania

Teaching

Microprocessors
Physical electronics
Control engineering
Digital logic
Electrical circuit
Computer architecture

Current Research Interest

Implementation of smart building using control systems
Control access in smart building using face recognition

Research Activities

Published papers	
-------------------------	--

Postgraduate Supervision

MSc Students	No
PhD Students	No
