

Curriculum Vitae

Personal Information

Full name:	Zaid	Shafeeq	Bakr	Abdulrazak	
Date & Place of birth:	Date:	11/1/1987	Place:	Iraq / Baghdad	
Nationality:	Iraqi				
Occupation:	<ul style="list-style-type: none"> - Ministry of Higher Education and Scientific Research 2010-2013 - Foundation of Technical Education 2013-2017 - Assistant Lecturer in Al-Nahrain University / Information Engineering College 2017 - now 				
Marital Status:	Single				
Address:	Baghdad / Al-Jihad Quarter (881/23/17)				
E-mail:	zaidshafeeq.it@gmail.com				
Mobile No. :	(+964)7704208172				
Languages:	Language	Conversation	Reading	Writing	Type
	Arabic				Mother
	English	Good	V. Good	Good	Foreign

Educational level

Degree	Department	College	University	Duration
MSc.	Network Engineering	Information Engineering	Al-Nahrain	2015-2016
BSc.	Information Engineering	Information Engineering	Al-Nahrain	2004-2008

Teaching Field

Subject	Department	Class
OOP (python)	Systems Engineering	Second Class 2020
Distributed DB	Information and communication Engineering	Third Class 2020
Data Base Management System Lab	Higher Institute for Security and Administrative Development	Postgraduate 2019
Information Security Lab	Higher Institute for Security and Administrative Development	Postgraduate 2018
Internet engineering Lab	Information and communication Engineering	Fourth class 2019
Security Engineering Lab	Systems Engineering	Third class 2019
Security Engineering	Systems Engineering	Third class 2018,2020
Network Management Lab	Information and communication Engineering	Fourth class 2018
Digital Communication Lab	Network, Information and communication Engineering	Third class 2018
Communication systems	Systems, Information and communication Engineering	Third class 2018,2017
Analog Communication Lab	Network, Systems, Information and communication Engineering	Third class 2018,2017
Wireless Communication Lab	Information and communication Engineering	Fourth class 2017
Internet Programming	Information and communication Engineering	First class 2017

Certifications

Training Course Name	Certified from	Place	Date	Duration
CS50(Computer Science)-Harvard University	-	online	2020-2021	9 weeks
CCNA-MTCNA	Titanium LC	Baghdad - Iraq	2019	2 weeks

Curriculum Vitae

Morel MSNAC course	ASWAR Academy	Baghdad - Iraq	2019	5 weeks
Diploma Training of Trainers	Al-Khaleej for Training and Consulting	Baghdad - Iraq	2017	4 days
Personal Strategic Planning	Sofara Tanmia Global Academy	Baghdad - Iraq	2016	2 days
Writing and marketing the projects	Iraqi Center for Innovation & Development	Baghdad - Iraq	2015	2 days
How to make an important turning point in your life	Sofara Tanmia Global Academy	Baghdad - Iraq	2015	2 days
Planning of Development Projects and Programs for Civil Society Organizations	Hijaz Consulting and Business Development	Istanbul-Turkey	2014	5 days
MBTI Scale	De Bono center for Teaching Thinking/ Amman-Jordan	Al- Sulaymaniyah - Iraq	2014	3 days
Oracle database 10g & oracle developer 6i	Iraqi Commission For Computers & Informatics	Baghdad - Iraq	2012	1 month

Scientific Researches

Type	Subject	Publishing	Place	Date
Paper	A Credit-Based System for Traffic Routing in Vehicular Networks	Published	Scopus - JCIT, vol.23, issue 2, article 1	2020
Paper	Proactive Attendance Management System (PAMS) Using Proximity Analysis and Bluetooth Low Energy Technology	Published	Scopus - MATHEMATICS IN ENGINEERING SCIENCE AND AEROSPACE	2020
Thesis	A Framework for Testing experimental cloud with Security	Published	College of Information Engineering/AL-Nahrain university	2016
Paper	Establishing and Managing Cloud Computing using VMware vSphere	Published	International Journal of Electrical & Computer Sciences IJECS-IJENS Vol:16 No:05	2016
Assignment	Software engineering/ Risk analysis and management	Unpublished	College of Information Engineering/AL-Nahrain university	2013
Seminar	Network Management Software Architecture	Unpublished	College of Information Engineering/AL-Nahrain university	2013

Skills

Skill	Subject
Computer	<ul style="list-style-type: none"> ▪ Help Desk. ▪ MS office (Word, Excel, Access, Power point and Outlook).
Virtualization Technology	<ul style="list-style-type: none"> ▪ VMware vSphere virtualization. ▪ Windows Server 2012 Hyper-V.
Installation and Configuration of Servers	<ul style="list-style-type: none"> ▪ MS windows server 2008, 2012. ▪ Installation and configuration of MS Exchange server 2010. ▪ Installation and configuration of SAN Storage using Openfiler.
Software	<ul style="list-style-type: none"> ▪ Python 3.6 and Qt Designer.

Curriculum Vitae

And programming Language

- HTML, CSS, JavaScript, and PHP
- Matlab.
- Opnet.
- GNS3
- Cisco Packet tracer
- MySQL Workbench 8.0 CE

IT Social Project

- Kaizen Project to train 1000 young **online**, 2016.
- Qurtas Application Project – 2019.

Curriculum Vitae

Acknowledgment

From	Subject
Council of Ministers, Higher education, and different universities.	(15) Acknowledgments, for work achievement.
College of Information Engineering	(1) Acknowledgment, To contribute in the symposium "Research directions of graduate students and employment it in the service of institutions and society."
